Insurance Policy Information -

Prior to participating a student must be insured through school insurance, be insured by a private insurance company or acknowledge the waiving of insurance coverage. I fully understand the Roaring Fork School District does NOT provide accident or health insurance coverage for my son/daughter while he/she is participating in interscholastic activities. However, such insurance is made available by the School District through an authorized agent. I further understand that it is my responsibility to provide accident insurance for my son/daughter. This statement releases the Roaring Fork school District and it's schools of financial responsibility in case of accident/injury to my son/daughter while he/she is participating in interscholastic activities.

Please mark one of the following:

- I feel my present insurance coverage is adequate
- I am purchasing student insurance through the authorized agent for the school district. Enrollment forms may be obtained from your student's school.
- I am waiving insurance/accident coverage for my son/daughter and accept all financial responsibility in case of accident/injury to my son/daughter while he/she is participating in interscholastic activities.
